

FINISHING STRONG IN NFI'S FINAL YEAR

God commissioned Neighbors First, Inc. at the beginning of 2009. It has now been eleven years of serving the needs of poor and hope-starved people through construction-related ministry. This, the twelfth year, will be the final year for the NFI organization.

God's extended hand of compassion and mercy will always be seen and felt through the actions of His people, those who place their trust in Jesus for salvation.

On behalf of the Board of Directors of Neighbors First, Inc, and the hundreds of people that have been blessed and encouraged through NFI projects....**Thank you!** Thank you to all who selflessly gave of their time and monetary resources to make it all happen. God has worked greatly through your hands, and your hearts, that were open to serving people in great need.

We give the **glory to God** for all that has been done and all that will result for eternity.

"And let our people learn to devote themselves to good works, so as to help cases of urgent need, and not be unfruitful."

Titus 3:14 Holy Bible ESV version

Mark G. Carter—President, Neighbors First, Inc.
